

Creating Peace

Sponsor: Hilo, South Hilo, and Hilo Bay Rotary Clubs

A peaceful way of life is rooted in love, aloha, compassion, and mutual respect, and promotes social justice, fosters equality and dignity for all. Living this way transforms our community, creating a world that is kinder, more understanding, and harmonious.

Here are some ideas to inspire your media production:

- Small acts of kindness can create positive ripple effects
- How art can foster healing and understanding, depicting how creative expressions contribute to peace
- Cultural harmony: Shared values across cultures
- How to build bridges and promote dialogue to create peace
- Unity and understanding: strength comes from embracing differences
